ENGINEERING DEPARTMENT

BUILDINGS DIVISION, BANGALORE.

Abstract Notification, dated 18th December 1934.

The attention of the public is invited to the notification calling for tenders for "Constructing Reserve Depot in the New Serum Institute, Bangalore," published on pages 6-8 of Part VI of the *Mysore Gazette*, dated 3rd January 1935.

The last date of receiving tenders is 15th January 1935.

Notification, dated 8th January 1935.

The public are hereby informed that the present contract for construction of the Technological Institute is being annulled and cancelled. Fresh tenders for completing the building are also being called for.

Intending tenderers will await the notification in the *Mysore Gazette* very shortly.

Further particulars may be ascertained from the Executive Engineer, Buildings Division, Bangalore, during working hours.

A. TANDONI RAO,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification dated 18th December 1934.

The attention of the public is invited to the detailed Tender Notification published in Part VI, pages 8-9, dated 3rd January 1935 of the *Mysore Gazette* for repairing Sree Prasanna Ramaswamy Temple at Chiknaikanhalli, the last day for receiving the tenders is fixed at 3 P.M. on 12th January 1935.

Notification dated 28th December 1934.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Tumkur Division, up to 2 P.M. of 28th January 1935 for restoring of Kallane, Register No. 131, Gubbi Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1936.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. and 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees five hundred and thirty (Rs. 530) in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for restoration of Kallane, Register No. 131 of Gubbi Taluk" in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.
